“Be the Change” Flourish Studios 1 Year Anniversary Art Exhibit

What: Flourish Studios presents “Be the Change”, a collection of works gathered from each of the artists who exhibited in our gallery throughout 2008.

Imagine what the world would be like if change did not occur. Technology and the advancements in the internet are just one of the elements that are quickly changing our lives. Think how rapidly quantities of information have become available to us at the click of a mouse! Rather than resist change, I believe we should be open to it and try to understand and seek out the positive opportunities that arise. As Gandhi so wonderfully said, “Be the CHANGE you wish to see in the world.” In this exhibit we hope to encourage a dialogue and have asked each artist the question: what is one thing you would like to see change in 2009?
